Your own specific policy details, including complete pre-contractual and contractual information will be confirmed as you go through the application to buy and will be in other documents sent to you.

What is this type of insurance?

This product meets the demands and needs of those who wish to ensure that the veterinary needs of their pet for injuries and illness are met for short term treatment up to 12 months. This cover includes:

- Each condition is covered up to £4,000 or for 12 months from the first treatment date, whichever is reached first
- Complementary treatment and dental accidents as part of overall policy limit
- Access to Pawsquad, a 24/7 advice service from a qualified vet

Once a pet starts having treatment for a medical condition under a policy it becomes a pre-existing condition. If you take out a new policy or change insurer in the future you should check whether cover for pre-existing conditions is provided.
